

Good morning...

(The blue type is review and the pink type is new info, or info that is coming up soon)

By now everyone except two parents should have their purple folder. We are off and running, and thank you to everyone that made the first meeting. Please know that my emails are usually long, but contain a bunch of info....some if it is repeated and some is new so heads up.

If you did not get a handout (for the new homeroom parents and/or new kindergarten moms) about school functions in detail and would like one let me know and I will send it home for you. This pamphlet was made so that you would have the info about school functions if someone asks, and also you could make a copy for new pride parents if they need one.

Please refer to your purple folder, there is a lot of info in it that should probably answer a lot of your questions...also know that the first part of the school year is crazy busy...but I will remind you of the things you should be working on...if at any time you do not wish to receive my emails just let me know.

LAST DAY FOR SALLY FOSTER FUNDRAISER IS SEPTEMBER 25th.....GET YOUR ORDERS IN....money raised on this fundraiser goes to pay for our computer teacher Mrs. Talebi's salary. We are one of the only elementary schools with a computer program. This computer instruction is not funded by Hillsborough County....let's keep her!!! Plus she is the tech for trouble shooting issues with all classroom and office computers. Amazing!!

Please do not be offended by this book....I want everyone on the same page....teachers too...please make sure you communicate with the teacher and parents often.

By now hopefully you have met with your teacher and gone over things in the 'mandatory' section of your purple folder. By Now you should already have sent out the forms and got a great return.. If not resend the 'Let's stay Informed' one to the people that have yet to return it....REMEMBER THAT THIS FORM IS YOUR LIFELINE FOR THE YEAR

Check the updated list at the front office in a week or so to see if county approvals are in. Please let your teacher know who is and is not approved to be in the classroom. They really do appreciate this. Remember to inform parents that dads should fill out this form if they want to volunteer on field trips etc.

All forms that are in your purple folder are on the PTA website under 'homeroom parent' section....if you need an extra one for some reason. Also I have a template for a class roster on there too if you are doing a class list. Please remember that you can not add a child's info if a parent did not initial the box stating permission to do so.

Please let me know if you are having any concerns/problems/questions....I want this homeroom parent program to be a great experience and complaining gets you know where....if you have a great suggestion for the program I would love to hear it.

If you would like to have a form go home to parents that you made, it needs approval first. Please refer to your purple folder for more info.

Dates change on the master calendar from time to time...I will let you know when I hear of a change ASAP.

If you have a parent that needs forms in Spanish I have them for you, just let me know.

Please do not do all of this on your own....get help from other parents!!!!

Our next meeting is November 12th.

September 28th is a county fundraiser with the Tampa Bay Rays...info should come home about this, but it is a day when you can buy tickets for the game and the proceeds go to the county.

Stay tuned for more updates....Thanks for your time. Molly P.
